

Individual Contribution Log

Your Name:	Wendy Thompson
Contribution Team	Logo- Motto- Presentation
Description of Contributions	<p>Logo- Motto-Presentation</p> <p>Working within the team construct, I offered concept ideas towards the development of the finished product helping to clarify group dynamics. Suggested using a concept that combined our cohorts' global mission with the bridge motif. Supported the group's graphic designer with suggestions of visual content placement and arrangement of text alignment. Proposed the need for a presentation subgroup to define the group showcase agenda. Supported the selection of one individual from each subgroup outlining the group's contributions in the presentation. Acquired musical instruments and microphones to facilitate the group's song production and performance. Acted as group hype person during song performance.</p>
Your Strengths	Supported group dynamics, kept team focused, provided logistical support, motivation and concept ideas.
Your Weaknesses	Production of graphics, written communications
